My/Our Pledge of Support for Redeemer in 2017

I/we commit to support the life and ministries of the Church of the Redeemer by dedicating my time, sharing my talents, and giving back to God from my treasure. Pledging my/our support for Redeemer's life and ministry is a vital and tangible way to express gratitude for God's love and help make a reality the things that He invites us to do

Time – Being regular in worship, actively involved in ministries at Redeemer, and engaged in the communities in which we live.

Talent – Sharing our God-given abilities and gifts (through caring, serving, singing, organizing, building, fixing, cleaning, teaching, reading, and other actions) to benefit the community.

Treasure – Knowing that money is simply a tool, a vehicle for paying utility bills, purchasing necessary supplies for ministries and administration, supporting the Diocese of Western North Carolina and the Episcopal Church, and paying the salaries of those who work at Redeemer.

\$ _____ per week/month/year for 2017.
